Light, bright and beautifully laid out, this 4-bedroom home in Grand Oaks Plantation offers the open floor plan and flexible living space so many West Ashley buyers are looking for. With approximately 2,200 square feet, a first-floor primary suite, finished FROG/4th bedroom, screened porch, private fenced backyard and 2-car garage, 766 Bent Hickory Road has a lot to love.

The open floor plan creates an easy flow between the kitchen, dining and living areas, while tall ceilings and abundant natural light give the home a warm, airy feel. The first-floor primary suite adds everyday convenience, and the finished room over the garage offers flexible space for a 4th bedroom, home office, media room, playroom or guest space.
